Come in, Traveler, come and dine

Matza, karpas, moror, wine

You have traveled many a mile

Join our *seder* for a while.

We have longed for your return

With the one for whom we yearn

Do not linger at our door

Come inside—your cup is poured.

Kol dikhfin yeytey v'yeykhol

Peysakh iz g'kumen nokh a mol

Kol ditzrikh yeytey v'yifsakh

Kol marbeh l'saper, harey ze m'shubakh.

Eliyahu ha-navi

Break our chains and set us free

Eliyahu, hear our prayer

How long must we suffer here?

As we sing, we beg of you

Bimheyra b'yameynu

Help in this, our time of need

Im mashiyakh ben david.

Come all ye that yearn for bread

Dine and be deliverèd

Join our *seder*, every Jew

Which of the four sons are you?

As we read the *Hagadah*

Kadesh, Hallel, Khad Gadya

Share the bread of misery

Taste the joy of being free.
