

# Put the *Latkes* On to Fry

© 1997 Shelley Posen Well Done Music BMI

Oh, Chanuka's come round again  
Put the *latkes* on to fry  
It's time to watch the *dreydls* spin  
Put the *latkes* on to fry

We'll light the candles one by one  
We'll sing some songs and have some fun

We light the candles every night  
Come have a *latke*, take a bite!

We light the candles, one, two, three  
And sing about the Maccabees

We light the candles, six, seven, eight  
See the stack of *latkes* on the plate

And when the candles are aglow  
We'll sing the songs of long ago

Sing "*Maotzur yeshuati*"  
There's gifts for you and *gelt* for me

With applesauce and sour cream  
Eat *latkes* till we burst a seam

Now's the time for gifts and *gelt*  
If the sun don't shine, then the snow won't melt

My *bobe's menorah* sits on the shelf  
If you want any more you can sing it yourself
