*TUNE: Spanking Roger (trad.)*

On *Chanukah*, the candles bright  
We light them one by one each night  
As we recall the miracle  
Of *Chanukah*.

This is the Feast of Lights  
As in those days and at this time  
The lights of *Chanukah*.

The Maccabees so long ago  
They fought against the foreign foe  
The Temple cleansed, the oil renewed  
On *Chanukah*.

This is the Feast of Lights  
As in those days and at this time  
The lights of *Chanukah*.

Rejoice, rejoice and let us sing  
For news of miracles we bring  
The many fled before the few  
On *Chanukah*.

This is the Feast of Lights  
As in those days and at this time  
The lights of *Chanukah*.
