## CHORUS

I'll see you *Rosh Hashana*  
I'll see you in the fall  
*T'kiya, shvarim, tru'ah*  
We'll hear the *shofar* call  
Eat apple dipped in honey  
The family will be here  
See you *Rosh Hashana*, see you  
In the new year.

On *erev Rosh Hashana*  
We have a family feast  
Talk of friends and loved ones  
Both the living and deceased  
Eat *challah* dipped in honey  
And apple slices too  
And *teyglakh* and *lekakh*  
For a sweet year through and through.

What will the new year bring us?  
Will it be good or bad  
Will there be want or plenty  
Will we be content or sad  
Will we live 'til *Rosh Hashana*  
Comes around again?  
*L'shana tova tikateyvu*  
*Tikhataymu—oy, omeyn!*
