

I Missed You in My Dreams Last Night

*“A dream is a wish your heart makes”
So Cinderella sings
But lately only heartaches
Are all The Sandman brings—*

I missed you in my dreams last night
I wish that you'd been there
We always had such happy times
In every dream we'd share
But now you are so far away
So out-of-reach, it seems
I'll never have your love again
Not even in my dreams
I'll never have your love again
Not even in my dreams.

There was a time not long ago
I'd dream of you each night
Of how you'd take me in your arms
And kiss and hold me tight
But now I wander all alone
Searching, love, for you
And wake, lamenting, with the dawn
My tears like morning dew.
