Good friends
Good cheer
Good food
Good beer
Don't say that call's for me
Don't say that call's for me
I hear the phone
Leave me alone
Don't say that call's for me.

Don't give
A damn
I'm on
The lam
Don't say that call's for me
Don't say that call's for me
I'm drinking beer
But I'm not here
Don't say that call's for me.

I'll have
One more
Then out
The door

Don't tell
A lie
Just say
Goodbye
Don't say that call's for me
Don't say that call's for me
I'm on my way
Call it a day
Don't say that call's for me.
