

# Part of Me Will Always Love You

*Everyone has regrets  
Large or small, no one forgets  
Choices made  
Debts unpaid  
Roads not taken  
Dreams forsaken  
And as my own pass in review  
I sometimes catch a glimpse of you—*

Part of me will always love you  
Love you till the day I die  
Part of me will long to hold you  
As I longed to do in years gone by  
Part of me will want to kiss you  
Though wanting never made it so  
Part of me will always love you  
As I did so long ago.

We never know where life will take us  
We never know what love may bring  
Never know what words unspoken  
Might have changed—everything

Part of me will always wonder  
What might have been but now can't be  
Part of me will always love you  
And wonder if a part of you loves me.
